## Educational Opportunities with Hodges University

HODGES  
UNIVERSITY

Beat the heat this summer and enjoy the many classes offered through Hodges University right here in the Tower Gathering Place. All residents are invited!

In June, we will be having a four part series called "Art Lover's." On Tuesday, June 4th, Rona Steingart will present "Art is a Way of Seeing," at 10am. Learn how to have an enjoyable learning experience at an art museum, gallery, or outdoor show. On Friday, June 7th we are taking our learning experience on the road to the Naples Art Association for a group tour. Curator Jack O'Brian will be showing us the "Camera U.S.A" Exhibit, which is a national juried photo show, featuring work by American artists from all parts of our country. Technology has become a major part of today's art scene and Mr. O'Brian will give us insights into this cutting edge of modern art. Please sign up at the Clubhouse if you would like to come along. On Tuesday, June 11th at 10am in the Gathering Place, you can attend the lecture "The Center of Art Moves to America," where we will share in the adventure of looking at contemporary art without labels or guidelines and explore things like, how does abstract art differ from non-objective art." If you enjoy music, make sure you attend "Music and Impressionist Art" on Thursday, June 13th at 2pm with Dr. Thomas M. Cimarusti. This course will examine the works of artists/composers associated with impressionism. Tuesday, June 18th at 10am, John Psaras is presenting "Space Wars," the concepts of weaponized satellites, and in a potential war, land-sea-air-space command and control will complement each other. On Friday, June 21st at 1pm, we will end our Art Lover's Series with a trip to the Bonita Springs Art League for a tour of the juried member show "Scratch the Surface." Please sign up at the Clubhouse if you would like to go. On Tuesday, June 25th, we will meet a Survivor from the Holocaust at 10am in the Gathering Place. Hearing a personal experience brings history to life in a whole new way. We will round out the month with a visit from Naples resident Don Epstein at 2pm on June 27th. Don enjoyed a long career as a television writer and producer. Now retired, Don will be sharing humorous, true stories and provide a rare, behind the scenes perspective about some of the biggest names in show business, including Marlon Brando, Dolly Parton, Bob Barker, Betty White, Willie Nelson, Dinah Shore, Diana Ross and scores of other A-list celebrities. We hope you will enjoy June learning with us!

## JUNE 2019

### Honor Flight

The latest honor flight took place on Saturday, May 4th and two more men from our community were able to enjoy this special trip. Although being awake for 24 hours makes for a long day, it is well worth it for all to have the chance to have this amazing experience and to be honored for serving our country. Thank you gentlemen for your service and for all of our veterans!

If you are a veteran and are interested in more information, see me at the Clubhouse.

## Director's Notes

June 1st marks the official beginning of the 2019 Atlantic hurricane season. We have once again invited representatives from the Collier County Bureau of Emergency Management to give a presentation to our residents at our Annual Hurricane Preparedness Seminar to be held Tuesday, July 2nd at 2:30 pm in the Gathering Place at Tower Pointe.

Colorado State University have issued annual hurricane forecasts since 1984 and they recently released the 2019 Atlantic forecast. They anticipate that the Atlantic hurricane season will have slightly below-normal activity. They are calling for 13 named storms, including five hurricanes and two major hurricanes. The average season has 12 named storms, six hurricanes and between two to three major hurricanes. They anticipate a slightly below-average probability for major hurricanes making landfall along the continental United States coastline and in the Caribbean. As is the case with all hurricane seasons, coastal residents are reminded that it only takes one hurricane making landfall to make it an active season for them. They should prepare the same for every season, regardless of how much activity is predicted. So, let's be prepared and hope for the best.

For those of you who are dependent upon an oxygen concentrator or other medical devices that require electricity, you should absolutely have a plan for what you will do in the event a hurricane is headed our way. Even with a minimal hurricane or tropical storm, electrical power may be disrupted, possibly for days. The emergency generators in our community only power the elevators, emergency lighting and a few hallway receptacles. The villas in Arbor Trace have no generators at all. Therefore, I would highly encourage residents that have any type of medical condition that would be adversely affected in the event we lose power, to attend the Hurricane Seminar on July 2nd to find out what options are available to you, such as the Collier County Special Needs Shelter.

Any resident of Arbor Trace or Tower Pointe, that considers Arbor Glen as part of their back-up plan, should be aware that Arbor Glen can only provide care for up to 29 residents, which is the total number of rooms available in our facility. As I write his article, we currently have 25 rooms occupied and there is no way to know what our occupancy might be later in the year. Something else to be considered is the fact that we close Arbor Glen to new admissions 72 hours before any projected landfall of a hurricane in our immediate vicinity. At that point we are busy making sure we have ample medications, food, water and staffing to safely meet the needs of those residents already in our care.

Something else to consider, if you plan to stay in the community in the event of a hurricane is the fact that we may need to evacuate Arbor Glen residents to another facility if the threat is severe enough to warrant an evacuation. If this is the case, there will be no nursing personnel on hand to respond to your medical emergencies should one arise, as they must go with the Arbor Glen residents to whatever site we evacuate to. Even if we do not wind up evacuating Arbor Glen, you need to realize that in the event of even tropical storm force winds, we cannot dispatch nurses to your residence, if it puts them in harm's way. This also holds true for County Emergency Medical personnel, as they may not be able to respond to medical emergencies, if sustained winds make it unsafe for them to be on the road.

I would like to stress again how important it is that you take personal responsibility for your safety and welfare and have a plan. There will be lot a of information available at the Hurricane Seminar.

I would like to let the community know that Susan Eck our Director of Nursing has resigned from her position on Friday May 3rd. I have called upon Shirley Harvey, our past Director of Nursing to come in and be our Interim D.O.N. until we find a permanent replacement. As I write this newsletter, I have been reviewing resumes and interviewing new prospects. Shirley is happy to help us out for as long as it takes. Going forward in the future we will be having Shirley come in one day per quarter to be our consultant to make sure we are in compliance with all the state rules and regulations. Thank you, Shirley Harvey

Yours truly,

## R.O.M.E.O.

Friday May 17th 25 men filled the bus & 4 were driven by Dean Yarian to Spanish Wells Country Club. The trip was fast because the Club is located on Bonita Beach Road just east of 41. We had one newcomer Harvey Greenbaum. We arrived & were escorted to a private room overlooking the golf course. While the drinks were being served (ice tea, Arnold Palmers lemonade, & coke) we heard a presentation by Joe Scott about a new men's program he's organizing, something very different. We then heard about the Honor Flight trip taken by Bob Chambers this month. Our living obituary was then given by Bill Glaser who had a variety of careers. We thank all 3 for their contribution to our luncheon. Lunch was then served & it became very quiet. After lunch we had our usual raffle. Manny Cabezas won the free lunch in the Colonade room (4th time) Gunther Luhrs won a round of golf for 4 at Spanish Wells C.C. donated by them. The \$\$ money winners were Ray Maloney, Rodger Lundblad & Bob Bortz. While Rodger went for the bus, we heard about 5 great jokes.

Next Month's ROMEO will be on Friday, June 14th at Pelican Marsh Country Club.

## Spring Luncheon

Celebrating spring, many ladies from Tower Pointe and Arbor Trace wore stunning hats for our Hats off to Spring Luncheon on April 25th. After enjoying a delectable lunch, resident Barbara Smith presented "Hats of Our Lives," an exceptional presentation about her life story, which she used to travel the country sharing. Everyone could relate to at least one of Barbara's hats and we shared many laughs during her program. Thank you to residents Sandy Ohanian and Joanne Bellon for helping to organize the event and of course to Barbara Smith for lending her talents for an enjoyable afternoon. A great time was had by all.

## Trip to the Bird Gardens of Naples

We enjoyed a wonderful tour at the Bird Gardens of Naples on Friday, May 2nd. This nonprofit organizations' sole concern is parrot welfare in captivity and conservation of wild parrots. Did you know parrots are highly social, intelligent, complex animals whose lifespan can reach 100 years? We learned all about them and even had the chance to feed them some nuts! Afterwards, we stopped at Tropical Smoothie, for a tasty lunch. Yum!

-Sandy Steinbach

## Kentucky Derby

On Saturday, May 4th the annual Kentucky Derby Party was held in the Gathering Place. Horse lovers and party goers gathered at 5:00pm to make bets, socialize, eat goodies, and showcase their beautiful hats. A big thank you to Julie Egenberg and the Tower Pointe Activities Committee for organizing a bang up party! Judges Blake Lynch, David Hocking, and Walter Hensen awarded prizes to Gini Govoni, Loretta Borzuku, Sandy Bortz. Our male winner was Bob Bortz, sporting \$2 bills and a clever horse on his hat! Our multi-talented Director of Maintenance Dale Carnes and his trusty helper John Egenberg kept tally of the \$2 bets, which produced multiple winners! A good time was had by all!

### Skunks, snakes and alligators oh my!!

There's never a dull moment in Arbor Glen. We had an exciting visit from Kowiachobee Animal Preserve this month. They brought an adorable baby skunk, a baby alligator and a Burmese python! A very educational presentation coincided with the animal visits. What a wonderful morning we all had!

### Book Club news

A special thank you to all the ladies who helped us have a wonderful book club season!

We appreciated each one of you and we hope everyone has enjoyed the experiences of sharing with others and reading new books. The club will be taking a hiatus for the summer and will meet again in the fall. As you enjoy your summer reading, start thinking of book titles for the next season! Happy reading!

### Housekeeping to the Rescue!

Here at Arbor Trace we offer many wonderful services to make life easier and of course more fun. One of those services is on site Housekeeping. Many of you already take advantage of this service. I just wanted to remind those of you who do not, or are new, that we are here and ready to help if you need us. We can set up a regular cleaning schedule weekly or biweekly. You can also call us for one time only or occasional cleaning. Housekeeping cost is \$30 per hour. If you would like more information, please do not hesitate to contact me to see if we can help you in any way. You can reach me at my office 438-4681.
